A parody that is the antithesis of self help books. The original pile of eloquent filth. Some have suggested that this black cloud of wisdom is, in fact, the Anti-Christ in paperback. But you know better. You know there comes a time when children need tripping, dolphins need flogging, and by gum, old people need a-murderin'. Add it to your collection today for a brighter and bitter tomorrow. In the spirit of Saturday Night Live's pithy Jack Handey, DiGiorgio gives advice on how to be more self-centered, cynical, and, most importantly, how to have a good time.
