What's to Love: No one can deny the cultural impact of Charles M. Schulz's Peanuts, and it has been a singular honor for us to be able to continue his legacy. In 2015, Peanuts celebrates its 65th anniversary, so we thought there was no better way to recognize Snoopy, Charlie Brown, and the rest of the gang than to invite some of the world's best-known names in comics, children's books, comic strips, cartoons, and webcomics to come together and show their love for Schulz.

What It Is: Peanuts: A Tribute to Charles M. Schulz is a giant love letter from creators new and old from comic strips to webcomics, children's books to comic books. Unprecedented at this scale, it is very rare for the Schulz estate to allow other cartoonists to illustrate the Peanuts gang in their own signature styles. This collection of original stories, pin-ups, and strips pay tribute to Schulz and the world of Peanuts, and includes contributions from Raina Telgemeier (Smile), Jen Wang (In Real Life), Patrick McDonnell (Mutts), Stan Sakai (Usagi Yojimbo), Terry Moore (Rachel Rising), Mike Allred (Silver Surfer), Paul Pope (Battling Boy), and many more. Features an introduction by Lincoln Peirce (Big Nate).
