ORDINARY WOMEN, UNSPEAKABLE ACTS SERIES: THE TORTURER'S INTERN Matilda Odell Shields

Ordinary Women, Unspeakable Acts: The Torturer's Intern is an explicit 8500 words of erotic story intended only for an adult audience with focus given to the act of torture (light to extreme) of the male genitalia done by a female(s) or better known as CBT and Ballbusting in the world of BDSM. This includes other female domination acts, erotic humiliation, forced nakedness and many forms of torture variation. Do not sample, buy and read it if you find the theme is your cup of tea.

The art of interrogation is not, in fact, so new at all. They all spring directly from the practices of the Medieval. The distance in both technique and ideology between the periods is uncomfortably short. The idea that nowadays female interrogators are allowed to take extreme measures including extreme genital torture to squeeze information from their victims provides chilling sensation down our spines. This story is all about that idea. Enjoy.

Excerpt:

"My name is Evelyn, and this is my assistant, Chloe" the torturer announced. Evelyn is a lady of Asian origin, a Filipino to be exact, in her early 30's and has been working as the torturer for the army for years, while Chloe is a Latino girl of Mexican origin, 26 years of age and currently undergoing training as The Torturer's Intern with Evelyn. Both are beautiful and sexy ladies.

Five terrified pairs of eyes watched her as she walked slowly around, inspecting their tightly spread out young bodies and vulnerable sex organs.

"My job is to soften you all up by indescribable pain and agony, so that our inquisitors can extract from you the information we want." Evelyn continued. "I am regarded as an expert in genital torture, and my treatment will be mainly centered on your testicles. My assistant is learning my trade, and I shall be instructing her with the various procedures I employ. She will now inject each of you with a special cocktail of drugs. This will give you the biggest hard-on of your life irrespective of the agonies you will endure, and also will prevent you from fainting from the pain."
