Would you trust a stranger you met online to repair your marriage? Would you be comfortable with him knowing your wife's most intimate secrets? Would you let him come into your home, your bedroom?

When his wife Rachel returns to work after being a stay-at-home mom for five years, Max knows they will have to make some adjustments. What he hasn't counted on is Rachel's new boss. Handsome, aggressive, and domineering, he awakens long dormant desires within Rachel.

As Max watches, helpless, the transformation in his wife, he has to deal with his own insecurities and fears. As their marriage faces its ultimate challenge, both Rachel and Max have to confront their pasts, their fears, and their fantasies... but they aren't alone.

They meet a stranger online, a man who has an uncanny ability to see both Max and Rachel for who they really are. But what is his game? Is he just an unconventional marriage therapist? Or does he represent an even greater danger than they can even imagine?
