If you're a nice guy then this book will change your life!

But lets get down to the crux of it

Are you are always:

- There for her in times of need,
- Trying to spend as much time as you can with her
- Constantly texting and calling her,
- Take care of her when she's sick,
- Offer her your shoulder to cry on when she's sad,
- Listen to her problems when she's frustrated,
- Buy her gifts to make her happy,
- Drive her to the mall when she doesn't have a car or have anyone else to go out with.
- Complement on her beauty and grace to make her feel more womanly,

Do you believe all the above qualities are of her perfect guy right?

...WRONG!

Ask yourself this, "Why isn't she my girlfriend yet, why haven't we had sex yet?"

Fellas if you ring true with the above, you are her perfect 'E-M-O-T-I-O-N-A-L tampon', the guy who she says to her friends, " Oh he's nice, but I just don't feel it". End of conversation, she will never talk about you to her friends EVER again. This is bad, very, very bad.

"We do so much for them, we buy them presents, sat on the phone and had a 'heart-to-heart for 45minutes and all we get is a hug and a thanks!?"

This book will expose:

- Why nice guys finish last
- Why its always the jerk or the badboy that gets the girl
- Symptoms of being a nice guy
- How to be a man

This book is short and to the point - and you deserve the best!

And remember a woman wrote it ; )
