Disney princess Princess Love Quote : 20 Best of Disney Love Quote (Unofficial)

When I was a little girl I developed a love for all things Disney, particularly their movies. While I loved all of their animated classics my favorite was The Little Cinderella. I always day dreamed about what life would be like in the event I somehow turned into a maid like Cinderella. I had the book on tape and each time we got into the car I play the Cinderella tape. That cassette tape was in heavy rotation and as a result I memorized all of the songs. And today, I still know the words and love singing the songs. In general I loved all the songs found on the soundtracks of the beloved Disney classics but my favorite songs were the love songs.

Love is a theme through every Disney movie. At the core of each story they create is a great love, whether it is for a family member, friend, for a prince, for a princess and also for animals

As a tribute to the love so many of us have for Disney and the love countless Disney characters exemplified as we watched them on the screen here are 20 of the best Disney love quotes!
