Red Ruby Heart in a Cold Blue Sea: A Novel Morgan Callan Rogers

“An authentic page turner.... Rogers [vividly] captures this era of Elvis records and small-town Maine fishing life.” —*Down East*

In 1963, twelve-year-old Florine Gilham enjoys an idyllic childhood in small-town Maine—until her beloved mother vanishes. Untethered and adrift in the wake of her disappearance, Florine finds her once-cherished joys—watching her father’s lobster boat come into port, baking bread with her grandmother, and causing mischief with the summer folk—suddenly ring hollow. When a figure from her father’s past comes calling, Florine must find the courage to lay down roots of her own. Set against the gorgeous backdrop of the Maine coast, *Red Ruby Heart in a Cold Blue Sea* is an extraordinary snapshot of a bygone America as seen through the eyes of an iconic New England girl.
