Comprehensive Classroom Management is packed with practical advice and real-life examples to help teachers understand and apply the principles of classroom management in their own classroom situations. Comprehensive, based on the most current research, and supported through the examples of thousands of teachers already using these techniques, the book emphasizes creating classrooms where students feel safe because they know they are respected and supported by their teacher and peers–and where classroom behavior standards have been developed with and agreed upon by students. Through detailed case studies, examples, and descriptions of specific strategies, the book also examines instructional methods that support high rates of student engagement and methods for responding effectively to minor as well as serious and ongoing situations where student behavior disrupts the learning environment.The Eleventh Edition expands its emphasis on data-driven research-based approaches to classroom management, including a new focus on how brain research and trauma-sensitive classrooms that can informs our understanding of student learning and behavior. The Enhanced Pearson eText features interactive classroom simulations.

Improve mastery and retention with the Enhanced Pearson eText*
The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:
