Love: Universal Dawn Flemington

John Russell, a UFOlogist, comes home for a much needed break, only to find his ex-lover Adien Kaper has moved in next door. They made a perfect couple except one thing: Adien doesn't believe in UFOs or extraterrestrials.

After spotting a meteor shower, John goes to investigate, only to find a dark crystal. Later, that same crystal produces an alien who is looking for Adien. It seems Adien is needed back home on Xulpath as soon as possible.

But Adien doesn't believe he's an alien and he doesn't want to go.

After Adien's memory block wears off and he accepts who he is, trouble starts brewing. The government gets wind that there are aliens around and they want the aliens. John, with the help of his grandmother and Dr. Kolbi, try to help the aliens get back home.

The thing is, John really doesn't want Adien to leave without him.
