She's Not There P.J. Parrish

They say it's better to battle the devil you know. But what if you don't recognize him before it's too late?

She knows her name is Amelia, but after waking up in a hospital battered and bruised with just the clothes on her back, it's all she knows. Unable to piece together her shattered memory, she's haunted by a vision: menacing faces and voices implying her nightmare is far from over.

Relying only on her wits and her will to live, Amelia becomes a fugitive from a mysterious man, and a life she can't even remember. But the past she's fleeing has no intention of letting her go.

From reader reviews:

Contessa Watkins:

In this 21st hundred years, people become competitive in each way. By being competitive currently, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that at times many people have underestimated it for a while is reading. Yes, by reading a book your ability to survive increase then having chance to stay than other is high. For you personally who want to start reading some sort of book, we give you this She's Not There book as starter and daily reading e-book. Why, because this book is more than just a book.

Samuel Gorman:

Information is provisions for individuals to get better life, information nowadays can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider if those information which is from the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take She's Not There as your daily resource information.

Carol Hamilton:

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love She's Not There, you may enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't obtain it, oh come on its referred to as reading friends.

James Edgar:

Your reading sixth sense will not betray you, why because this She's Not There e-book written by well-known writer whose to say well how to make book which can be understand by anyone who also read the book. Written within good manner for you, leaking every ideas and producing skill only for eliminate your personal hunger then you still uncertainty She's Not There as good book not simply by the cover but also by the content. This is one publication that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to one more sixth sense.
