You Can't Win Jack Black

You Can't Win, the beloved memoir of real lowdown Americana by criminal hobo Jack Black, was first published in 1926, then reprinted in 1988 by Adam Parfrey's Amok Press, featuring an introduction by William S. Burroughs.

After its Amok Press edition went out of print, *You Can't Win* found popularity once again with the AK Press edition.

Feral House's new version will take this classic American narrative a lot further, including two remarkable nonfiction articles by Jack Black written for *Harper's Magazine* in the 1920s. Remarkable illustrations by Joe Coleman and new biographical revelations by Donald Kennison will round out the new edition.

A full-length feature film of *You Can't Win* starring *Boardwalk Empire*'s Michael Pitt is expected to be released in spring 2013.
