Each of the compelling stories in this collection illustrates principles that can guide you on your own spiritual quest.

Now you can experience the wisdom of these teaching tales even if you have no previous knowledge of Native American traditions. SkyLight Illuminations provides insightful yet unobtrusive commentary that explains the cultural and spiritual significance of the seemingly mundane objects found in these stories?tobacco, gambling, even the exploits of mischievous tricksters such as Coyote and Weasel?while gracefully drawing comparisons to Christian, Jewish, Buddhist and Hindu religious traditions, among others. Whatever your spiritual heritage, these Native American stories of the sacred are sure to delight and inspire you with the sacredness of all Creation, and remind you that the earth does not belong to us?we belong to the earth.
