The Summers Iva-Marie Palmer

For Kate Sommers, there's nothing that compares to summer at her family's beach house on Cape Cod: the ocean breezes, the clam bakes, the boys. She and her three sisters seemed to have all their "firsts" over those long months—first job, first party, first crush. Kate's first crush is her only crush—Ryan Landry, the boy next door, and her older sister Eliza's on-again, off-again summer fling.

But it's been three years since Kate and her sisters have spent a summer in Cape Cod. When their mom died, no one could imagine going back without her. Now eighteen, the whole Sommers family is headed to the Cape for Eliza's wedding and Kate must find the strength to be there for her family.

When Kate spots Ryan, she realizes how much has changed since he last set eyes on her. She isn't the gawky fifteen-year-old that she once was, and this could be the summer that Ryan finally takes notice. Eliza says she's moved on, but Kate knows better than anyone that Ryan Landry isn't the kind of guy you give up without a fight...

From reader reviews:

Holly Murphy:

What do you ponder on book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Merely you can be answered for that question above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book The Summers. All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Charles Anderson:

What do you about book? It is not important along with you? Or just adding material when you want something to explain what you problem? How about your free time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They need to answer that question due to the fact just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this specific The Summers to read.

Bernetta Smith:

This The Summers are reliable for you who want to be a successful person, why. The key reason why of this The Summers can be one of the great books you must have is definitely giving you more than just simple studying food but feed you actually with information that might be will shock your previous knowledge. This book is usually handy, you can bring it everywhere and whenever your conditions at e-book and printed people. Beside that this The Summers forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day pastime. So , let's have it appreciate reading.

Louella Rape:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their free time with their family, or their very own friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Might be reading a book is usually option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try out look for book, may be the publication untitled The Summers can be excellent book to read. May be it may be best activity to you.
