What Social Workers Do

Margaret Gibelman

What Social Workers Do Margaret Gibelman

What Social Workers Do examines what social workers do in their day-to-day work across a broad range of social work settings, levels of practice, and fields of practice. Gibelman focuses on the roles and functions that social workers perform in various areas, and she highlights the dynamism and vitality of the profession. Offering practical information about jobs available in specific service areas, she covers the spectrum of social work roles and functions, the nature of social work practice, and best career opportunities for the future. Interdisciplinary relationships, technology, and the unique qualities of social work are all covered.

What Social Workers Do fills the information void about careers in social work. It is useful as an introductory social work text, high school or college career planning guide, or professional career development manual.

Special Features *Case vignettes illustrate the diversity and similarities of social work practice and describe the roles of workers and clients. *Sample job listings derived from real classified ads demonstrate the career opportunities in each specialty. *A suggested reading list directs the student or practitioner to more resources.
