Literary Nonfiction. Poetics. "ORDERING THE STORM empowers readers to see the poetry collection as an artistic medium in itself, and offers diverse perspectives on the subject. Experienced writers and beginners alike will find inspiration and encouragement in the words of exceptional poets such as Maggie Anderson, Wanda Coleman, and Beckian Fritz Goldberg. This book should be required reading for all graduate student poets, even those who are still in the process of writing their first collection, because it includes essential information on poetic sequencing and useful strategies for examining a manuscript's possibilities. One of the most exciting aspects of the book is the sense of community that readers feel upon exploring each essay.
