They used to be the perfect team.

Two years ago, songstress Sidney Higgins ruined her life by sleeping with not one, but two of the famous Reckless Beat men, Mason Lynch and Sean Taiden. Their night of intimate celebration turned into a worldwide sensation when the video Mason vowed to keep private was uploaded to the internet, destroying her squeaky-clean reputation and turning the world against her. Now she's broken and left without hope, trying to find the one thing that can get her back on her feet.

A mistake neither one of them is willing to forgive.

When the sex tape went viral and his best friends held him accountable, Mason bore the stigma of asshole with pride. Now, bitterness has destroyed him, driving away his muse and making him worthless in the industry he loves. There's only one option left to reclaim his creativity, but that would mean collaborating with a woman who wants to castrate him with a plastic knife.

A palpable chemistry even hate can't diminish.

Forced to work together, neither one of them is prepared for the undesired lust which immediately takes hold. The lies fade away, exposing the truth; however, it also awakens a threat from their past. The person responsible for tearing them apart is back to ensure they don't rekindle a spark. With their safety in the balance, Sidney and Mason need to determine what they're willing to risk to reclaim a relationship they wish they'd never lost.
