Hidden In Plain Sight Mark Davidson

Throughout the body of Christ, many students and teachers of the end times are awakening to the solidly Scriptural basis for the Islamic Antichrist theory. Hidden In Plain Sight, which develops this interpretation of the end times, will no doubt greatly add to the growing understanding of the Church as the Day of the LORD draws near. Mark Davidson, who I have come to know and exchange ideas with over the years, is a humble and careful student of both the Scriptures and history whose work must now be considered by everyone who seeks to understand the days ahead. -Joel Richardson, husband, father, New York Times Bestselling author of Islamic Antichrist, co-author of God's War on Terror, internationally recognized speaker and activist.
