Sugar Deirdre Riordan Hall

I'm the fat Puerto Rican–Polish girl who doesn't feel like she belongs in her skin, or anywhere else for that matter. I've always been too much and yet not enough.

Sugar Legowski-Gracia wasn't always fat, but fat is what she is now at age seventeen. Not as fat as her mama, who is so big she hasn't gotten out of bed in months. Not as heavy as her brother, Skunk, who has more meanness in him than fat, which is saying something. But she's large enough to be the object of ridicule wherever she is: at the grocery store, walking down the street, at school. Sugar's life is dictated by taking care of Mama in their run-down home—cooking, shopping, and, well, eating. A lot of eating, which Sugar hates as much as she loves.

When Sugar meets Even (not Evan—his nearly illiterate father misspelled his name on the birth certificate), she has the new experience of someone seeing *her* and not her body. As their unlikely friendship builds, Sugar allows herself to think about the future for the first time, a future not weighed down by her body or her mother.

Soon Sugar will have to decide whether to become the girl that Even helps her see within herself or to sink into the darkness of the skin-deep role her family and her life have created for her.

From reader reviews:

Cecilia Moore:

The book Sugar make one feel enjoy for your spare time. You may use to make your capable more increase. Book can being your best friend when you getting tension or having big problem using your subject. If you can make looking at a book Sugar being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. You are able to know everything if you like start and read a publication Sugar. Kinds of book are several. It means that, science book or encyclopedia or some others. So , how do you think about this guide?

Michael Kenney:

What do you think of book? It is just for students as they are still students or it for all people in the world, what the best subject for that? Just simply you can be answered for that query above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't wish do that. You must know how great as well as important the book Sugar. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Delaine Valencia:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Sugar.

Stacy Abercrombie:

Many people spending their time by playing outside using friends, fun activity having family or just watching TV the whole day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you think reading a book can definitely hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smartphone. Like Sugar which is getting the e-book version. So , try out this book? Let's notice.
