Sam and Lou's parents crave their morning coffee. What happens when they go without it? The brothers are determined to find out. But taking their parents' coffee proves to be a big mistake. Without it, their parents turn into monsters! Children will love this wish-fulfilling adventure of monsters wreaking havoc at home, and adults will relate to the coffee-craving monsters. One part classic monster film, one part cheesy action movie, and all parts comedy, the book will keep readers of all ages chuckling with subtle jokes and bad one-liners.
