Alien Love Stan Schatt

In Stan Schatt's latest Science Fiction novel, a dying astronaut reveals a secret that blows the lid on a government treaty with extraterrestrials while other alien races have come to Earth with their own agendas. Meanwhile an ancient alien race with a base on the Moon makes plans that could spell doom.

25 year old EX-SEAL, Jack Starling, has plenty of his own problems, but he can't help falling in love with the beautiful woman he rescues after she is brutally attacked. He learns how dangerous it can be to fall in love with someone not human who has her own plans for him.

Jack finds himself pitted against aliens far stronger and far more cunning than any human enemies. Once he learns what the aliens have planned for him and for Earth, he must race against time before it is too late.
