ELUZN Karma

Dot was a new age seeker approaching old age, and while her illness kept her from fulfilling many of her dreams in the physical realm, she valued her virtual community as a means to stay connected with the world at large. As a tech savvy retired academic, Dot considered herself immune to the pitfalls of the social networking sanghas as well as the hooks and lures of the gaming community. But from her first night in ELUZN she knew something was different. Even her close friends seemed out of character in this Perfect-10/Perpetually-29 cartoon universe. She once considered herself a seeker of Truth, but found the shades of gray inside the ELUZN made her rethink everything her Guru had taught her. Nothing was as it seemed to be, and yet the ELUZN was more real than her real life could handle.
