**This Amazon Best Book of the Year is the perfect holiday, Valentine's Day—or any day—board book for little hands and flippers! Learn the days of the week and share a hug with a mom *you* love!**

When you're a mama penguin with lots (and lots) of little ones to take care of, the days can melt together in a blur. Monday: swimming lessons. Tuesday: sliding. Wednesday: waddling. And on and on. Mama loves her babies so much. Do they know, she wonders, just how much?

As it turns out, they do--because they love her just as much! And to show it, they surprise her with a thoughtful gesture of their own on Sunday.

In her companion to *Baby Penguins Everywhere!* Melissa Guion offers another adorable book, perfect for teaching the days of the week and for sharing between moms and their little ones.

**Praise for *Baby Penguins Love Their Mama*:**

"Guion's . . . illustrations perfectly accompany the text. The babies are full of personality, while the expression on Mama's face ranges from good-natured patience to a look during Saturday squawking that will be familiar to parents and teachers everywhere. Elementary schools and public libraries should add this lovely confection to their collections."—*School Library Journal*

"[C]ute and heartfelt, it will be much appreciated on Mother's Day. A sweet book with broad appeal."—*Booklist*

### From reader reviews:

#### **Jodi Dauphin:**

In this 21st hundred years, people become competitive in every way. By being competitive now, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive improve then having chance to stand than other is high. For you personally who want to start reading any book, we give you that Baby Penguins Love their Mama book as starter and daily reading publication. Why, because this book is usually more than just a book.

#### **Eugene Barnum:**

Your reading 6th sense will not betray anyone, why because this Baby Penguins Love their Mama reserve written by well-known writer whose to say well how to make book which might be understand by anyone who have read the book. Written within good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still uncertainty Baby Penguins Love their Mama as good book not just by the cover but also with the content. This is one publication that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

#### **Marina Tucker:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Baby Penguins Love their Mama can make you really feel more interested to read.

#### **Curt Stewart:**

What is your hobby? Have you heard that question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person including reading or as studying become their hobby. You need to know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You find good news or update about something by book. Different categories of books that can you take to be your object. One of them is actually Baby Penguins Love their Mama.
