Excerpt from Six Years at the Russian Court

In a book recently published the author describes at length a visit to the house of the Governor of Moscow, and speaks of his family and governess. Now for fourteen years before his death the Grand Duke Serge was Governor of Moscow-and he had no children.

A well-known magazine spoke of us travelling with a cow ! Now I can safely aver that I never took a cow on a journey. She would have been very much in our way, and the poor beast would have had a sad time in the Baltic or Black Sea!

Again and again have I seen allusions to the Empress's love of caricatures, and her cleverness in drawing them. As a matter of fact, the Empress never drew such a thing in her life; nor can she see the fun of them when they are drawn by other people.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
