Etz Hayim: Torah and Commentary

JPS is pleased to make available a new, more compact edition of the landmark publication, Etz Hayim: A Torah Commentary. This book, a publication of the Conservative movement, was produced through a joint venture of the Rabbinical Assembly, the United Synagogue of Conservative Judaism, and The Jewish Publication Society. This new, smaller edition is a convenient alternative to the standard hardcover edition and is ideal for personal study and travel. It contains all the material in the original, except for the essays. The Bible text, translations, and commentaries as well as the blessings, artwork, maps, glossary and other reference tools for the worshiper and student of Torah reader are included. The sturdy, coated paper cover is designed to stand up well, even with heavy use.
