## The Anniversary Slovak-American Cook Book

This book was first published in the commemoration of the sixtieth anniversary of the founding of the first Catholic Slovak Ladies Association in 1952. Mrs. Helen Kocan, President of the society during this period intended the project to be used for the benefit of the society's home for the aged members, Villa Sancta Anna and this is still the intention today.

The cookbook includes the favorite Slovak and American recipes collected through the years by members of the organization. We hope this book will answer the queries frequently received from many of our young homemakers for recipes for such national dishes as paprikas, halusky, klobasky, studenina and such tasty pastry as roshky, strudla, fanky, and kolacky. These were special treats our mothers and grandmothers prepared and it was with justifiable pride that they sought to pass on the knowledge of Slovak culinary art to ensuing generations.
