Paula Isabell Allende

En diciembre de 1991, Paula cae enferma de porfiaría, es este un momento fundamental para la escritora, pues aquí comienza a escribirle, en un sencillo cuaderno, a su hija la historia familiar, como se conocieron sus bisabuelos, abuelos, Isabel con Michael y Willie y por último Paula con su amado Ernesto, para que cuando despierte, ayudarla a recuperar la memoria. Escribe aquí la soledad y sufrimiento que siente estar sentada todo el día junto a una camilla, sobre ella, su hija paralizada con quien ha vivido maravillosos 28 años, a su alrededor desoladores pasillos blancos del hospital de Madrid. Debe tolerar a diario los devastadores informes de los doctores sobre la salud de su hija, todos le aseguran que morirá, le dicen que la deje ir, que su egoísmo pero a la vez amor indefinido a superado limites, su yerno Ernesto, visita a Paula a diario, demostrándole el profundo amor que siente, por momentos se rinde, le pide a Dios que termine con ese sufrimiento, pero Isabel no, resiste, tiene toda una vida planeada para cuando llegue el esperado momento en que su hija se recupere. En un principio Isabel tiene el apoyo físico de su madre, pues junto a ella, están en una reducida habitación de hotel en Madrid, pero luego el cansancio la supera y decide volver a California, aun así su marido Willie vuela interminables horas para apoyar a su mujer, la visita una o dos veces por mes. Con el tiempo, Paula comienza a ser un objeto de observación e investigación, la desinteresada y la poca profesionalidad de la atención de los médicos provoca que Isabel quiera llevarse a su hija a California, pero no puede debido a su delicada salud, cursos enteros de estudiantes de medicina estudian a Paula pero sin ningún signo de respeto, amigos y familiares visitan a Paula y apoyan a Isabel en ese difícil desafío que la vida le ha dado.

From reader reviews:

Errol Sawyer:

What do you consider book? It is just for students as they are still students or it for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book Paula. All type of book would you see on many sources. You can look for the internet methods or other social media.

Harry Nelson:

Nowadays reading books be than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining for example comic or novel. Typically the Paula is kind of book which is giving the reader erratic experience.

Shannon Silva:

Spent a free time to be fun activity to perform! A lot of people spent their spare time with their family, or their particular friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Can be reading a book is usually option to fill your free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to test look for book, may be the book untitled Paula can be good book to read. May be it might be best activity to you.

Ashley Washington:

In this age globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended to you is Paula this guide consist a lot of the information with the condition of this world now. That book was represented just how can the world has grown up. The words styles that writer use to explain it is easy to understand. The actual writer made some analysis when he makes this book. That's why this book appropriate all of you.
