The Beatles as personal growth gurus, you ask? Sure! Everyone knows that the Beatles were brilliant musicians. But there was much more to them than just great music. John, Paul, George, and Ringo created a living legacy of joy, elegance, and peace. *The Beatles Way* shows how to bring the attitude and ingenuity of the Fab Four into our own lives and achieve Beatle-like success at our work, in our homes, and with our dreams.

Author Larry Lange reads between the lines of Beatles lore and finds the secrets to their success, secrets that any of us can employ to rock our own lives: taking risks, creating a team to support you in your dream, and letting yourself evolve as your spirit moves you.
