## **Kisetsu - Primavera (Volume 1) (Portuguese Edition)** Maitê Serra

No Japão do séc.XV, uma longa guerra contra a província rebelde de Mutsu ameaça a supremacia do governo. Para derrotar a insurgência, o shogun vê-se obrigado a buscar alianças, arriscando-se a abalar um frágil equilíbrio entre famílias inimigas. Sob fachada de um festival de Primavera, os senhores provinciais são convocados ao palácio do shogun, em Kyoto, numa confluência de poderes como não se via há uma década, para definir os rumos da guerra e do poder no país. Assim, começa a fiar-se uma intrincada teia de tramas políticas e pessoais envolvendo as famílias mais prestigiosas de um Japão instável. Um mundo repleto de sutilezas, onde rancores e afetos são velados por finas máscaras de formalidade, e conflitos de dever e desejo, lealdade e suspeita, honra e ambição enlaçam vidas e sentimentos no ciclo efêmero das quatro estações. "Primavera", primeiro de quatro volumes da saga "Kisetsu" (Estações), inicia essa jornada histórica. Com personagens profundos e um enredo intrincado, mergulha o leitor na cultura, estética e valores do Japão medieval, encantando-o com suas nuances e instigando-o com sua beleza.
