Take three precocious university student's sharing a flat, throw in a super-sexy property-owner who works as a stripper, her well-endowed slightly retarded lusty son, add their friends who when there not studying are satisfying their ever horny sexual desires and you will enter the world of the nymphomaniac flat-share girls, a story that will delight and arouse. This is not about getting a degree it's about the degree of satisfaction these young ladies can achieve whether in the bedroom, the university or at the wild parties they attend. This is a U.K. based story.

Publishers note: my stories feature full on sexual situations of every kind including straight sex, girl/girl, toys, anal sex, the occasional spanking and are very explicit in their sexual content and are for adult eighteen plus readers only.
