Rome shifted from Monarchy to Republic, only to be remade by the iconic Julius Caesar. *Rome: Rise and Fall of the Roman Empire* tells his life story from his birth to his assassination. You'll learn about his military victories and political legacy, from the First Triumvirate to his Consulship and Dictatorship. This book even helps you understand how his death led to the forming of the Second Triumvirate.

You'll also learn about how the line of Emperors that followed Julius Caesar began to decline. Despite the unifying efforts of Constantine, the Roman Empire eventually broke into pieces. This book explains how the West fell, and the East survived - at least for a while.
