The Letter of Violence: Essays on Narrative, Ethics, and Politics (New Directions in Latino American Cultures) I. Avelar

This book traces the theory of violence from nineteenth-century symmetrical warfare through today's warfare of electronics and unbalanced numbers. Surveying such luminaries as Walter Benjamin, Frantz Fanon, Hannah Arendt, Paul Virilio, and Jacques Derrida, Avelar also offers a discussion of theories of torture and confession, the work of Roman Polanski and Borges, and a meditation on the rise of the novel in Colombia.
