The Wars of the Green Berets: Amazing Stories from Vietnam to the Present Robin Moore, Michael Lennon

Legendary adventurer and raconteur Robin Moore has teamed up with third-generation Army officer Michael “Doc” Lennon to share the stories of the soldiers who have earned the right to wear the Green Beret.

From Vietnam to the present day, *The Wars of the Green Berets* retells the stranger-than-fiction, hair-raising experiences of the stout men who have risked it all, from their firefights on the Cambodian border to their present-day patrols on the dangerous streets of Baghdad. It takes us to the streets of Mogadishu in the days before and after the events of *Black Hawk Down*. It puts us on the rocky moonscapes of Afghanistan in search of the enemy, where soldiers face the dangers of friendly fire as well as fierce Taliban fighters.

Featuring a new foreword by a former Green Beret about the continued efforts and role Special Forces play in modern warfare, this is a work of fiction that is more real than many works of history. It’s destined to become a classic.
