1215 and All That: A very, very short history of Magna Carta and King John (Kindle Single) Ed West

On June 15, 1215 England's drunken, lecherous, cowardly King John was forced by his leading barons into a peace treaty that would have a profound impact on the country and the world. It came about over discontent with the incompetent monarch, but it established fundamental principles about the rule of law that would spread to the English colonies and worldwide. This Magna Carta, as it became known later that century, would form the basis of the rule of law and due process in England and around the globe.

In this accessible introduction to the subject Ed West explains how the Great Charter came about, and follows the story of the relentlessly cruel and money-obsessed early Plantagenet kings, including John's permanently angry father Henry and his sadistic maniac of a brother, Richard the Lionheart. Eventually John, after betraying his father and brother, selling his wife, murdering his nephew and losing his French empire through sheer incompetence and weasel-like cowardice, reluctantly agreed to a charter that paved the way for our freedom. And as Winston Churchill put it, the English-speaking world owes 'far more to the vices of John than to the labours of virtuous sovereigns'.

Your knowledge can inspire the others, make them reading a guide.

Krystal Sutherland:

Reading a e-book tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their story or even their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some research before they write with their book. One of them is this 1215 and All That: A very, very short history of Magna Carta and King John (Kindle Single).

William Wood:

The reason? Because this 1215 and All That: A very, very short history of Magna Carta and King John (Kindle Single) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess

such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the book store hurriedly.
