By Myles Munroe Rediscovering the Kingdom: Ancient Hope for Our 21st Century World [Hardcover]

When governments collapse, human philosophies fail and your life is crashing down around you, Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed-humanism, communism, totalitarianism, fascism, socialism and even democracy. This is a philosophy, an ideology that will not fail, for it was bore in the heart of God Himself. Miles Munroe died in November, 2014 after an eerie prediction in a presentation he gave just before he died in a jet plane crash. In what is being described as a message he delivered shortly before he and eight others were killed in a fiery jet crash Sunday, prominent evangelical preacher and motivational speaker Myles Munroe spoke ominously of dying by accident and being "unnecessary" to his ministry. He said that if you do not leave a legacy for your church when you die, you are a failure.
