america, an illustrated diary of its most exciting years afe

In this illustrated diary of America's most exciting years we explore the Golden Age of Writers and Writing. The age of Ben Hecht, Alec Waugh, Stephen Vincent Benet, John P. Marquand, John Erskine, H. L. Mencken, G. K. Chesterton, Howard Fast, Budd Shulberg, Sinclair Lewis, Booth Tarkington, Paul Gallico, John Steinbeck, William Faulkner, and, the daddy of them all, Ernest Hemingway. Also included is Edgar Allan Poe and though he died long before the start of the twentieth century, the editors of this collection came up with a remarkable literary discovery: A short story by this most distinguished author that went unpublished until 1938, thus making it eligible for inclusion in this uolume; thus enriching you, the reader, with the genius of one of the greatest story-tellers of all time. In In The Midst Of Death, Ben Hecht departs from his usual Front Page style and takes us on a spine-chilling trip through the supernatural; Alec Waugh proues to be the master of the surprise ending in The Reward Of Valor; and Stephen Vincent Benet presents The Life Of The Party who became the most unpopular man in town. John P. Marquand, chronicler of New England snobbery, master of the Bostonian broad "a", lapses into an Irish brogue and relates the story of A Young Man Of Great Promise; John Erskine makes us privy to how a man who starts out with necking on his mind can uery easily wind up with his neck in a noose in his tale of Master Villon Meets A Woman; and H. L. Mencken informs us why man will continue to wage war until the end of time. If you're looking for a short short story you'll neuer find a shorter short than G. K. Chester- ton's Shortest Ghost Story. If you're a Christmas buff you'll wind up in Howard Fast's hip pocket when you read A Child Is Born.
