In my book you will learn how to transform ordinary fabric scraps in to unbelievably beautiful photographic quilts! The quilts look intricate and difficult to make, but it's easy to do even if you are a beginning sewer.

Each quilted photo takes only a few hours to make and you'll learn a simple sewing technique that will reduce your sewing time by 85%. Your friends will gasp in amazement when they realize your quilt is really a photograph! As seen on HGTV's "Simply Quilts"

The book also contains 10 amazing quilt patterns.
