If you are looking for ways to improve your relationship, find love, or simply want to be ready for when Mr. Perfect comes along, you've come to the right place! We've all heard rumors about the 'perfect' girlfriend, you know that girl that all the women want to be and all the men want to be with, but the real question is, what makes her so perfect? Is it her hourglass figure, perfect booty and pillow lips? Or is there something more than skin deep, that special something that brings men to their knees?

You might be surprised to show that recent studies showed that within the ranks of important qualities in a girlfriend, appearance wasn't on the top of the list of the qualities men look for in long-term relationships. In fact it was quite a ways down from traits that can be learned, practiced or taught! These are qualities that go far deeper than the perfect liquid line, or killer boobs; items on the list included, playful, funny, supportive, confident, driven and adventurous. Although most people don't have all these qualities, they are skills that you can learn through awareness and practice.

It's important to remember that relationships are subjective, and of course not all men have the same 'top ten' list, but by learning to hone these skills and being aware of the important role little actions like constantly fussing over his hair or collar can have on a relationship, you will be well on your way to being the perfect girlfriend and finding a strong, lasting relationship.
