## **A Still, Small Voice: A Psychic's Guide to Awakening Intuition** Echo Bodine

In *A Still, Small Voice*, famed psychic Echo Bodine turns to a subject she knows deeply and is passionate about: intuition. Using humorous anecdotes and a positive, readable style, this sequel to *Echoes of the Soul* explores what intuition is, where it's located, what it sounds like, and how to cultivate it. The author, who comes from a family of psychics, exposes the various internalized voices that can mask one's intuition. These include the voices of parents, grandparents, peers, therapists, significant others, religious figures, and society, along with such emotions as anger, fear, guilt, and despair. The book challenges the notions that psychic abilities and intuition are the same or that they are in some way suspect. One chapter is devoted to the many practical benefits that come from listening to intuition; another looks at the "faith-building times" in life and how to cope with others' negative reactions to one's setting off on a spiritual path.
