Cleveland in World War II (Military)

James Banks, Brian Albrecht

Cleveland in World War II (Military) James Banks, Brian Albrecht

Berthed on the Cleveland lakefront, the battle-hardened submarine USS Cod serves as a proud reminder of the wartime contributions from the Greater Cleveland community. Clevelanders did their duty and more, from round-the-clock work on the factory assembly lines to the four Medal of Honor recipients on the front lines. The Cleveland Bomber Plant churned out thousands of B-29 parts, while Auto-Ordnance Co. developed the design for the Thompson submachine guns used by GIs on nearly every battlefield. Indians pitcher Bob Feller left the game to go into the service, and Clarence Jamison flew with the famed Tuskegee Airmen. Through interviews and archival material, authors Brian Albrecht and James Banks honor a time when Clevelanders of all stripes answered the call to arms.
