The Doctor In Spite of Himself

Moliere Moliere, Jean-Baptiste Poquelin

The Doctor In Spite of Himself Moliere Moliere, Jean-Baptiste Poquelin

As an actor and playwright, Moliere played a key role in the transition away from the Italian Commedia Dell'Arte to the ever popular la Comédie Française. Moliere broke away from the impromptu, formula-mask type presentations which were rooted in the Italian Renaissance theater, and introduced live, written dialogue based on the people and costumes of the day—real people whose characters acceded the stage, and the audience made its connection with each foible enacted by the performing protagonists. Thus, the satire in the Le Bourgeois Gentilhomme became poignant and entertaining. In L'Avare, Moliere gave the miser a physical body that was believable and real.

The Doctor In Spite of Himself is another great masterpieces of Moliere. Mr. Pergolizzi translates this great play into fluent and modern English ready for performance on any American stage.
