"...the Word of God, and no other weapon, shall prove to be the decisive factor in this war against Satan, sin, and the unthinkable slaughter of countless children in their mothers' wombs." *Divine Heartbeat* heralds the biblical mandate to know the glory of God through the mournful, cross-bearing work of the kind of Abortion Abolitionism that is distinctly Christian. It is simultaneously a summons to repentance, beckoning the Church to return to the sound doctrines and practices of the historic Christian faith, and a vision for a Scripture-based approach to the Abortion Abolitionist cause. Seeking to provide comfort and hope to those who weep for the preborn children of the world (and especially to those who have been bereaved of preborn children), it centers the message of Abortion Abolitionism on the Gospel of Christ Jesus. For, the incarnation of the Son of God began with the *divine* Child in His mother's womb. It is thus a Scripture-based celebration of life—as created by God in the womb—and a Scripture-based call to war—spiritual war on behalf of God's little ones who reside in the womb. **"Timothy shares my heart when he writes that 'the crisis over the lack of sound Abolitionist thinking in the Church is a crisis over Scripture.'"** -From the Foreword by Craig Houghton, author of *Family UNplanning*
