Beyond the Blue Horizon: On the Track of Imperial Airways Alexander Frater

In *Beyond The Blue Horizon* Alexander Frater reveals and relives the romance and breathtaking excitement of the legendary Imperial Airways Eastbound Empire service -- the world's longest and most adventurous scheduled air route. Written with an infectious passion, this is an extraordinarily original and genre-defining piece of travel writing by one of our most highly respected travel correspondents. 'Whether being mown down by stampeding Baghdad-bound passengers in Cairo airport, or battling with Indian Airline staff (and failing) to reconfirm six vital going-on flights from Delhi, or being lured unwittingly into a souvenir shop selling pornographic wood carvings in Lombok, or hitting tropical cyclones Ferdinand in a 748 en route from Sumba to Bali, Frater rises above it all with humour, style and a wonderfully sharp eye' *Evening Standard*
