Ellen DeGeneres is one of those rare comedian's that can be enjoyed at any age. Adults love her cheeky commentary while kids can laugh at her lovable portrayal of "Dory" in Disney's hit movie Finding Nemo. Like so many other stars, her beginnings were less than humorous.

Find out the impact that her parents' divorce had on her life. Like so many other children of divorce she was affected beyond measure and the aftermath eventually led to something even more horrific while her mother battled breast cancer.

Read about how her struggles in school eventually led her to the passion and career that she has today. Find out more about the discrimination that nearly killed her career.

Here you'll also find some of Ellen's more inspirational quotes. From devastation and failure, she's managed to keep her head up and come back even more successfully. We'll share with you some of the important life lessons that everyone can take from her work and words.

Step into the life of Ellen DeGeneres. If you've ever wondered about her life and how she made it to where she is today, this book will take you on that journey.

Comments From Other Readers

"I love Ellen's life story. You have to fight for your dreams and never give up. In the animated film "Finding Nemo" she played Dory and kept repeating to herself "Just keep swimming". This is so true in real life. As a gay man in America who came out shortly after she did I can relate to some of the issues that she faced. She's really an inspiration! Great book, great read!" Alex – Colorado (US)

"I've always wanted to learn more about Ellen DeGeneres's life, but it's hard to find good info out there. The author does a great job outlining stories and advice directly from Ellen herself. I absolutely love this book. I found out so many interesting things about Ellen that I didn't know before. This book provides an excellent snapshot into her life as well as inspirational quotes that's she's said over the years. I can understand why she is America's Sweetheart." Frankie – New Jersey (US)
