**How To Attract What You Want In Life: Money, Relationships, Fulfilling Career...**

There are several “secrets” to successful manifesting that almost *never* get mentioned in books about the Law of Attraction. This includes:

- **How to overcome emotional blocks** (not just mental) – a huge stumbling block for many who try to apply the Law of Attraction.
- **The importance of raising one’s energy level** – this determines how much you will attract of what you want.
- **How to take aligned action** – an often missing, but absolutely critical step.

The main reason why I wrote this book is to give everyone these critical pieces of information that are often missing, but absolutely necessary for successful manifestation with the Law of Attraction. And make no mistake about it: The Law of Attraction absolutely works, especially with the missing pieces you will find here.

**For those who are serious about using the Law of Attraction, you will learn:**

- How To Listen To Your Heart And Follow Your Heart’s Desires (which really come from your soul or Higher Self)
- The 3 Simple Steps of Manifesting With The Law of Attraction.
- The 5 Most Common Mistakes in Manifesting.
- How To Access The Energetic ‘Essence’ of Abundance in Meditation.
- How To Use Gratitude To Boost Your Manifesting.

In fact, applying the manifesting formula from this book also dramatically improves your “luck”. You will be amazed at the “lucky” coincidences that life will bring you and in what unexpected ways your desire will be fulfilled.
